ARTICLE IV

TIME OF COMPLETION AND LIQUIDATED DAMAGES FOR DELAY

4.1 The **CONTRACTOR** shall perform and complete the **PROJECT** to the satisfaction of **MIRDC** within **NINETY (90) CALENDAR DAYS** reckoned from the date of receipt of the Notice to Proceed.

4.2 Time being of the essence, delay in the completion of the **PROJECT** may be excusable only if the same is due to *force majeure*, additional work approved by **MIRDC**, or for any other special circumstances as may be determined by **MIRDC**.

It may be released after the issuance of the Certificate of Final Acceptance subject to conditions mandated by law. It shall be in the form and amount prescribed under the Contract Documents or applicable laws, rules and regulations.

5.2 The **CONTRACTOR** shall post an additional performance security to cover any cumulative increase of more than ten percent (10%) over the original value of the contract as a result of amendments to order or change orders, extra work orders and supplemental agreements, as the case may be.

5.3 If the **CONTRACTOR** cannot complete the **PROJECT** within the period prescribed under Section 4.1, the **CONTRACTOR** shall cause the extension of the validity of the Performance Security to cover contract time extensions until final acceptance of the **PROJECT**.

5.6 The **CONTRACTOR** shall likewise put a Warranty Security in the form and amount prescribed by law effective for one year reckoned from the date of issuance of the Certificate of Final Acceptance and shall be returned after the lapse of said one-year period.

ARTICLE VI

PAYMENTS

6.1 **MIRDC** shall, upon a written request of the **CONTRACTOR** which shall be submitted as a contract document, make an advance payment to the **CONTRACTOR** in an amount not exceeding fifteen percent (15%) of the total contract price, to be made in lump sum or, at the most, two installments according to a schedule specified in the General Conditions of Contract and other relevant Tender Documents.

6.2 The advance payment shall be made only upon the submission to and acceptance by **MIRDC** of an irrevocable standby letter of credit of equivalent value from a commercial bank, a bank guarantee or a surety bond callable upon demand, issued by a surety or insurance company duly licensed by the Insurance Commission and confirmed by **MIRDC**.

6.3 The advance payment shall be repaid by the **CONTRACTOR** by deducting fifteen percent (15%) from his periodic progress payments or in an amount equal to the percentage of the total contract price used for the advance payment until the amount of advance payment is fully applied.

6.4 **MIRDC** shall pay the **CONTRACTOR** progress payments based on billings for actual Work accomplished as verified and certified by **MIRDC** representative / Technical Working Group.

6.5 In no case shall progress billings be made more than once every thirty (30) calendar days. Materials or equipment delivered on the site but not completely put in place or used in the **PROJECT** shall **not** be included for payment.

6.6 All progress payments shall be subject to a retention fee of ten percent (10%). Such retention shall be based on the total amount due to the **CONTRACTOR** prior to any deduction and shall be retained from every progress payment until fifty percent (50%) of the value of Works, as determined by **MIRDC**, are completed. If, after fifty percent (50%) completion, the Work is satisfactorily done and on schedule, no additional retention shall be made; otherwise, the ten percent (10%) retention shall again be imposed using the rate specified therefor.

6.7 The total "retention money" shall be due for release upon final acceptance of the Work. The **CONTRACTOR** may, however, request the substitution of the retention money subject to the guidelines set forth under the Contract Documents and applicable law, rules and regulations.

6.8 In addition to the ten percent (10%) retention mentioned above, **MIRDC** reserves the right to deduct from the progress billing of the **CONTRACTOR** such amount as may be necessary to cover third party liabilities, as well as uncorrected discovered defects in the **PROJECT** in the event that the costs of such liabilities, as well as, uncorrected defects in the **PROJECT** exceed the 10% already retained by **MIRDC**.

6.9 **MIRDC** shall issue a Certificate of Final Acceptance to the **CONTRACTOR** upon satisfactory completion of the **PROJECT**. Before such certificate is issued, the **CONTRACTOR** shall submit a sworn statement certifying that all taxes due from it, and all obligations for materials used and labor employed in connection with the **PROJECT** have been fully and duly paid. Any claim submitted to **MIRDC** at any time by any party arising from this Agreement shall be sufficient reason for **MIRDC** to withhold any payment due the **CONTRACTOR**. In any event, however, before any deduction from **CONTRACTOR**'s billing or withholding of payment is made under this or the immediately preceding section, **MIRDC** shall promptly notify **CONTRACTOR**, in writing, of any such liability, defect or claim and the parties shall immediately meet in good faith to settle such issue.

6.10 No payments made by **MIRDC** shall be construed as a waiver of any claim for defects in the work, materials, or breach of obligations under this Agreement. Acceptance by the **CONTRACTOR** of final payment shall be deemed a waiver of all its claims except those previously made in writing that remain unsettled at the time of Final Acceptance.

ARTICLE VII

ASSIGNMENTS AND SUB-CONTRACTING

7.1 The **CONTRACTOR** cannot assign, transfer, pledge, sub-contract, or otherwise dispose of this Agreement or any part or interest herein without the prior written approval of **MIRDC**. Any such approval shall not relieve the **CONTRACTOR** from any liability or obligation under the law or this Agreement, nor shall it create any contractual relation between the sub-contractor, pledgee, transferee, or assignee, and **MIRDC**.

7.2 In case of sub-contracting, the **CONTRACTOR** shall submit, before Final Acceptance, a sworn statement executed by the sub-contractor attesting to the fact that the latter has been fully paid by the **CONTRACTOR** for the materials furnished and the labor performed under the sub-contract.

ARTICLE VIII

8.3 In case of pre-termination, the **CONTRACTOR**, its representatives, personnel, or sub-contractors shall voluntarily turn over the **PROJECT** to **MIRDC** and in no case shall continue occupying the premises and its surroundings. The **CONTRACTOR** hereby constitutes **MIRDC** as Attorney-in-Fact to take possession of the **PROJECT** to protect the interest of **MIRDC**. Expenses arising from the pre-termination shall be charged against the **CONTRACTOR** until the **PROJECT** is properly turned over to **MIRDC**.

8.4 The **CONTRACTOR** shall leave the work in good order upon completion.

8.5 The **CONTRACTOR** assumes full responsibility for the acts, omissions or negligence of its employees, workers, agents and those of its sub-contractors and their employees, as well as for all other persons doing work under this Agreement.
